

Teslin (Yukon) River Canoe Tour

11-days class 1 -2 river canoe tour (from Johnson's Crossing to Carmacks)

Join us for this scenic 372 kilometer canoe tour (of which is 170 km on the Yukon River) through the pristine wilderness of the Teslin River Valley. This tour is ideal for beginners in canoeing and introduces novice to canoeing in rivers. Our friendly and well trained wilderness guides introduce all participants in canoeing in class 1-2 river waters before you start your journey down Teslin and later Yukon River.

Tour description:

Day 1: We pick you up at the airport and meet you at the River View Hotel to discuss our journey down the river(s). Free time before dinner to shop and add equipment to your personal belongings. Optional: dinner together in one of Whitehorse's fine restaurants.

Day 2: Our journey starts early in the morning by driving you and all the equipment to Johnson's Crossing an estimated 1 hours drive from Whitehorse to Johnson's Crossing our starting point of the tour. In a few steps we explain and introduce you to skills in class 1-2 river canoeing. After we pack the canoes with all the gear and belongings we start the river trip on the peaceful flowing Teslin River downstream to a scenic, suitable camping spot for our first wilderness night. Everybody helps setting up camp, tents and starts a shore fire (if fire hazards allow) and make ourselves ready for a night in a dome tent (double occupancy per tent).

Day 3 – 10: We continue the daily stretches of this canoe trip down the mirandering Teslin River towards to conjunction of Teslin and Yukon River at Hootalingua. From now on the Yukon River dominates the course of the journey. We pass Salmon Lake and finally arrive in Carmacks our destination in this adventurous river trip. We overnight in our dome tents and cook dinner at camp.

Day 11: Our shuttle service picks up guests and canoes and drives back to Whitehorse, the end point of the river tour. You may check in the River View Hotel or the hotel of your choice or start your next adventure in Canada's Yukon.
